Welcome to

**We are excited to be at your facility!
Our variety, technology and features will make your
market experience a highlight of your work day.**

Here is how you get started:

1. To expedite setting up your account, go to our website, www.32Market.com and go to the upper right corner to get started. You can also set up your account at the kiosk in the market.
2. Accounts can be funded through cash deposits and credit / debit card deposits. There is no change given on cash transactions. You will be able to set up an account and use the change towards future purchases or donate your change to charity. Accounts will have easy log in processes on-line or at the kiosk.
3. All purchases can be made by scanning the product under the scanner or through the drop down menu at the self checkout kiosk.
4. And by liking Three Square Market on Facebook, you will be kept up to date on latest improvements and specials.

Your suggestions for new products, services and improvements, are always welcome!
